

National Foundation Quarter Horse Association

# Blood Percentage Chart Per NFQHA Criteria

The following chart is designed to be a handy reference guide, and lists the Quarter Horse blood in some of the more common horses in pedigrees. It is not intended to be a complete list!! If none of these horse are in your horse's pedigree, it is not an indication of it's NFQHA eligibility.

This is NOT intended to be a complete list of all horses! If none, or few of these horses are part of your horse's pedigree, it is not an indication of it's eligibility for certification. Specific lines, or families are not regarded--only the amount of registered TB blood is counted in determining a blood percentage.
